# World Cannabis Conference

## March, 15<sup>th</sup> and 16<sup>th</sup>

The **World Cannabis Conference** were born to fulfill the necessity to materialize all the advancements and efforts made in regards to cannabis over the last few years.

We will be able to go deep into the **different dimensions** of cannabis and its evolution through lectures and **open forums** organized in themes.

Since we are living in such important times in Spain, we think it's essential to approach **cannabis policy** from a national and international standpoint, understand the issues through a **legal and scientific view** to achieve better understanding of the potential and viability of regulation, understand the **medical needs of patients** and analyze the huge progress done despite prohibition.

In this event of worldwide exposure, attendees will be able to be a part of **debate**, interact with speakers and express their insights and concerns.

## L'Auditori de Cornellà Barcelona, Spain

The conferences will be held at **L'AUDITORI DE CORNELLÀ** which will be directly accessible for all Spannabis attendees.

**Spannabis** has **30,000 visitors** each year and is in the forefront of international tradeshow related to cannabis.

This large attendance offers the perfect frame for the celebration of an event like the **World Cannabis Conferences**.

The Auditorium of Cornellà is equipped with the most advanced **audio visual** technology and will be able to offer live **wireless translation**.

The auditorium holds **800 seats** to guarantee that nobody will miss out on the opportunity to enjoy of this event.
